Approving recommendation for new administrator:

Ed, Mary, and Brenna met for about three hours and the decision for their recommendation of top candidate was Maureen Martin-White. Maureen is familiar with the curriculum that EIAA uses. Maureen also has a good amount of history with grant writing which would be beneficial for EIAA as well as many other great qualifications and experience. She would be available for employment at EIAA beginning July 18th, 2011.

Brenna wanted to clarify that there has never been a gap in the search for the administrator. She would like to lay this to rest as it is a conversation that keeps coming up.

Mary thanked Rama Paris and Debby Elvin and the teachers who all worked together to move this forward. Ed spoke of the subcommittee asking Maureen about going into the classroom and helping the teachers and how she would go about this without stepping on the curriculum specialist's toes so to speak and Maureen responded that she would indeed work with the curriculum specialist in any way needed.

Jacque motioned to approve the hiring of Maureen Martin-White
