A WORD FROM MR. KRUGER:

Dear Parents & Students,

I wish to express my thanks and appreciation for your warm welcoming. It is both an honor and privilege to serve as your school's new Director. I am thankful for this opportunity and plan to build on the school's success. I also would like to extend an invitation to stop in and visit with me during this last week of school. I am very interested in your suggestions and welcome your participation, especially as I am planning to develop specials, club and extracurricular programs for next year. If you are unable to visit, there is a suggestion box at the reception area for you to leave a note. It has been a pleasure meeting the school community since my arrival and look forward to the year ahead.

Sincerely,
Ed Kruger

KINDERGARTEN PROGRAM & LUNCH– Both Kindergarten classes will begin their performance at 8:40 a.m. on June 16th in the multi-purpose room. After the program and awards they will be having lunch in their classroom.

RE-ENROLLMENT – If you are NOT planning to return to E.I.A.A. in the fall, please let us know as soon as possible so that we may have all of the necessary paperwork ready for you. We would also like to be able to fill the students spot in the enrollment as we have a long waiting list. We appreciate your cooperation with this matter.

TESTING – Throughout the summer some of you may receive letters in regards to PLACEMENT testing. It is highly possible that this will take place during the summer on days that will be convenient for all those involved.

This will be the last newsletter for this school year. It has been a pleasure being able to be a part of this school and an honor to serve this staff, board, students, and parents. I look forward to seeing you in the fall.

Sincerely,
Lori Miner
